

NEFI ANNOUNCES

New Weather Subscription Service

Available December 1, 2008

For the low member price of \$50.00 per year, you will receive:

- **Weather Discussions** (*Detailed discussions about the expected temperature and storm patterns*) – Issued Monday
- **Weather Updates & Disruptive Storm Forecasts** (*Brief review and latest trends of items in the weather discussion*) – Issued Monday, Wednesday & Friday
- **Regional 10 Day Degree Day Forecasts** - Issued Monday, Wednesday & Friday
- **Actual Monthly Degree Day Reports** – Available within 1 or 2 days after the last day of the month
- **Long Range Forecasts (Outlook for the next month and beyond)** – Issued between the 18th and 22nd of the month. Other Long Range Outlooks & Updates are issued as needed during the course of the month
- **Climate Summaries** (*Normal highs & lows for this time of the month and month-to-date heating degree day totals compared to normal and compared to last year at the same time*) – Issued Monday
Service will also allow personal consultation (question/answer) by phone or email with Meteorologist, John Bagioni
- **We are also exploring a new Daily Heating Degree Day Usage Product for more than 150 Sites. More to Come.**

****These reports are only available through the internet: no postal mail or fax delivery****
