

MA Oilburner Code 527 CMR 4.00

**All classes run from
6:00 pm to 9:00 pm**

This class is NORA Certified for 4 CEU's

A complete course on the Massachusetts Oil Burner Regulation 527CMR4.00 and includes information on NFPA211 the recognized National Standard for Chimneys and Vents for Oil Fired Equipment.

This course is technically oriented and reviews the regulation from the standpoint of an installer who wishes to conform to all applicable requirements while maximizing profits for his employer.

Features work-arounds and methods that provide for Code Compliance, operating safety and proper operation and is ideal for both apprentices and senior technicians, sales personnel, managers, Fire Inspectors and anyone else involved in the installation, inspection and servicing of Oilheat equipment while working in the Commonwealth.

The program is sponsored by the Massachusetts Oilheat Council in cooperation with the New England Fuel Institute and will be taught by George Lanthier of Firedragon Academy.

Course includes CMR4.00 checklist and an official copy of the Regulation.
