Advanced training on Riello residential burners
 and special tips on setup, tune-up and troubleshooting.

RIELLO

This unique seminar will take you through how to troubleshoot Riello's residential oilburner line and keep them running reliably and profitably. Features detailed and concise information on setup and troubleshooting and how to profit from doing Riello oilburner service better than your competitors. This one day program will afford you a wealth of knowledge on Riello oilburner operation. All required training and service materials are provided. Includes the new book

This course is taught by George Lanthier of FIREDRAGON ACADEMY. He is the author of many articles on oilburners and is the author of the course textbook.
