

\$20 per month for member companies*

Heating and Cooling Degree Days

Subscription Service

A new service from New England Fuel Institute (nefi.com)
Heating Degree days and Cooling Degree days in one simple report
Ask about our separate Weather Report Subscription Service

See www.nefi.com/weather for details and sample reports for our weather and heating degree day subscriptions

Available from NEFI starting July 2009

- Only **\$20 per month** for New England Fuel Institute (nefi.com) members
- **Over 150 sites available**
- **Daily Heating Degree Day (HDD) & Cooling Degree Day (CDD) totals** for all National Weather Service data points across all of New England, NY, PA and NJ will be posted.
- Reports will be **issued daily by 6 AM**
- Reports will list the **last 7 days of data** for each site
- Reports will be **broken down in state groupings** such as, Maine, Massachusetts, VT & NH, CT & RI, NY, PA, NJ.
- Reports can be **used to monitor and analyze regional or local daily HDD totals**, or can be used to back-up or **check the accuracy of heating degree day clocks**.
- For a sample of the reports by various State groupings, please click this link http://www.nefi.com/weather/samples/HDD-CDD_combined.pdf
- **FREE 30 day Trial**: *try it for 30 days at no charge. Companies will be invoiced after 30 days unless cancelled*
- **E-MAIL ONLY**: *These reports are only available via e-mail: postal mail or fax delivery not available*
- *Get the latest on this valuable service at www.nefi.com/weather*

(Other Weather Services are charging anywhere between \$100 and \$300 PER MONTH for their services)
